PROFILE SUMMARY

Recent MCA graduate with a keen interest in frontend development. Proficient in HTML, CSS, and JavaScript, with hands-on experience in creating responsive web pages. Known for strong problem-solving skills and eagerness to learn new technologies. Seeking to start my career with a forward-thinking company to contribute to innovative web solutions.

TECHNICAL SKILLS

- **Languages:** HTML, CSS, JavaScript, PHP, SQL
- **Frameworks:** Bootstrap, Tailwind
- **Version Control:** Git, GitHub
- **Tools:** VS Code
- **Databases:** MySQL

PROJECTS

JavaScript Challenge Repository

<https://github.com/Sajdeen/Javascript-Challenge>

- Created a repository for a JavaScript challenge to enhance understanding of variables, var, let, and data types.
- Utilized Git for version control and collaboration.

Quiz Web App

<https://github.com/Sajdeen/quizWebapp>

Developed a dynamic quiz web application using HTML, CSS, JavaScript, PHP, and MySQL. Implemented user authentication, quiz management, and real-time feedback. Designed a responsive interface for cross-device compatibility, enhancing user engagement through an interactive platform.

Portfolio Website

My portfolio highlights my skills in web development with interactive and responsive projects. It features dynamic applications like a quiz web app and a Tic-Tac-Toe game, Password generator, Resume Website showcasing my expertise in HTML, CSS, JavaScript, PHP, and SQL. Emphasizing clean, efficient code and user-friendly designs, my portfolio reflects my commitment to high-quality web solutions and is regularly updated to showcase my ongoing growth and learning as a developer.
